

# WE'RE HIRING!

Junior Regulatory,  
Real Estate and  
Litigation Lawyer  
1-3 years of experience

EY Law consists of more than 60 lawyers in Belgium and offers legal expertise in the domains of

- Commercial and Distribution law
- Corporate Law - M&A
- Digital Law (including Data protection & Privacy and ICT),
- Employment Law
- Transaction Law
- Tax Law
- Public & Administrative Law
- Real Estate Law

## Your responsibilities & activities

- Our team at EY Law offers the opportunity to work on a broad range of real estate matters, such as the acquisition and sale of real estate and real estate companies, structuring of rights in rem, joint ventures, leases. Since our firm also has a focus on ESG and renewable energy, you shall also have the opportunity to help develop new service offerings around this theme together with other service lines.
- The team assists and provides pragmatic and effective advice to its clients, both private law clients and public sector entities, mainly with respect to public procurement matters, public service concessions, grant agreements, zoning and environmental law, regulatory matters and general administrative law.
- Our team offers the opportunity to work on challenging commercial litigation matters, such as contractual disputes, commercial lease matters, claims related to construction works, but also corporate litigation matters, such as shareholders' disputes, finance law disputes, real estate litigation, litigation in matters of public and administrative law and other business-related legal disputes.
- EY Law has offices, in Diegem, Brussels, Antwerp and Ghent.

We are looking for a junior regulatory, real estate and litigation lawyer to join our team composed of experienced attorneys lead by Philip Peerens.

You will work on a wide range of challenging legal matters in the broad domains of administrative and real estate law and will acquire valuable experience in both advisory and litigation files.

EY Law also regularly works with its peers in other countries for cross border projects.

## Your profile

- You have obtained a Master's Degree in Law from a Belgian University, a specialization in real estate or public law is an asset.
- You have up to 3 years of relevant professional experience;
- You have excellent language skills (French, Dutch and English);
- You are a creative problem solver;
- You are a team player, excited by the opportunity of contributing to the development of a young but fast growing practice;
- Pursuit of academic activities (in addition to the legal profession) is an asset and supported by the firm.

## Our offer

- You will be working in a law firm that stands at the forefront of innovation and is future-proof with its broad range of legal service offerings.
- We offer a variety of interesting work and the opportunity to work effectively as a member of an international network of professional advisors (EY Law and EY) in an interdisciplinary way, both in Belgium and on an international level;
- In addition to our attractive salary and benefits package, you will be given room for personal development, while benefiting from the support of our EY and EY Law network, and offered ample opportunities to learn and grow in your role.
- We offer support to candidates willing to further their academic profile in addition to the legal profession.
- Internal and external training opportunities.
- You will work in a friendly and supportive work environment.
